INSTALLING

The installation process was simple and went smoothly. breezEV chargers & pedestals were designed with the installer in mind.

AVAILABILITY

Having stock and immediate availability made breezEV an easy decision. The ordering process was swift and painless.

CUSTOMER SUPPORT

breezEVs customer support made setting up and operating these EV chargers straightforward and quick. We offer support to the host and to the driver.

"The competition was lacking support, which created an opportunity for breezEV and they delivered a superior customer experience" — Faye Isom, GCD Sales 😊
